## Disabled Person Parking Permits

Disabled person parking permits are issued to persons who have been medically certified to have long-term, permanent or temporary mobility impairment, or who are certified legally blind or temporarily sight-impaired. In addition, disabled person parking permits may be issued to organizations that provide transportation services to disabled persons.

- A current certification is required on the initial issuance of a disabled parking permit. Certification must be provided by a Physician, Osteopathic Physician, a Podiatric Physician, a Chiropractor, an Optometrist, an Advanced Registered Nurse Practitioner licensed under the protocol of a licensed Physician, a Physician Assistant or by a similarly licensed physician from another state. When certification is provided on form HSMV 83039, the certifying authority's medical license number, the state they are licensed in, and their address must be shown.
- Disabled persons must have either a current Florida driver license or a Florida identification card issued by the Florida Division of Motorist Services. An exemption from the requirement to have a Florida driver license or identification card is provided if the disabled person is physically unable to visit or be transported to a driver license office to obtain this documentation. The disabled person must provide certification on form HSMV 83039 to claim this special exception.
- The expiration date of the disabled person parking permit issued to an individual will be issued for a period up to 4 years to expire on the applicant's birthday.
- Subsequent or additional parking permits may be issued to individuals who are certified as a quadriplegic, or are frequent travelers. (A frequent traveler must indicate on the application form that they frequently travel by plane, train, bus or boat and need one permit to park their vehicle at the place of departure and another one to use at their destination.)

Organizations, which provide regular transportation service to disabled persons, must provide either a FEID number or a Florida sales tax registration number to be affixed to the disabled parking permit. Organizations may be issued as many parking permits as they have vehicles providing transportation to disabled persons.

The disabled person parking permit must be hung on the rearview mirror of the vehicle used to transport the disabled person(s), when parked in a designated disabled person parking space.

- You can renew the disabled person parking placard registration [in person](#) or by mail.

Any person issued a blue permanent disabled parking permit must provide a certificate of disability on [form HSMV 83039](#) completed and signed by a certifying authority within the last 12 months in order to renew the permit.

If your blue permanent disabled parking permit is lost or stolen, a replacement will only be issued if you submit the same documentation required for renewals.

## Residential

In accordance with the Restricted Residential Parking Program Directive, MPA offers restricted residential parking decals in designated neighborhoods for an annual fee of \$25.00. ## Monthly

Customers may purchase monthly subscriptions for parking in designated on street locations and garages. Permits may be issued as garage Key Cards, decals, or tag based electronic permits for on street locations. Customers will be required to create an account on the MPA web site and maintain a valid credit card on file. Monthly permits will be billed to the customer credit card on approximately the 15th of each month for service in the following month. Customers wishing to cancel a subscription must notify customer service prior to the service start date.

## Motorcycle

Many facilities in urban areas where parking spaces are sold on a monthly basis do not provide monthly parking for motorcycles. Miami Parking Authority has a special Motorcycle Parking Program in its College Station Garage (Garage #3) located at 190 NE 3rd St, Miami, FL 33132.

This is a customer service initiative that enables motorcycle owners to park in Garage #3 for a reduced rate. MPA administer the program through the tag number and billed accounts receivables.

Only Authorized Motorcycles is allowed to park in Garage #3. The motorcycle's tag number is the parking credential and it is not be transferable. There will be a designated area in the garage for motorcycle parking only to facilitate the enforcement of this program. Enforcement personnel will verify that the tag number is valid for the current month and that the motorcycle is parked in the appropriate location. All motorcycles parked outside of the designated motorcycle parking area, registered or not, will be cited. The motorcycle location will be on the NW Center on 4th floor next to the Loft exit area. All spaces will be identified by signage.

The barrier gates used to control the entrance and exit of vehicles are not designed to accommodate motorcycles. Therefore motorcycle drivers must not enter the facility by using a parking key card or by pulling a ticket. The gate may come down and cause injury. There will be dedicated lanes to enter and exit the garage.

Motorcycles must enter the garage in the NE 3rd Street Entrance right lane and exit the garage using the NE 3rd Street exit lane by going around the gate. If this procedure is not followed the motorcyclist will be unable to exit the garage and motorcycle parking privileges will be suspended.

**MPA WILL NOT BE LIABLE OR RESPONSIBLE FOR ANY DAMAGE OR INJURY TO ANY MOTORCYCLIST USING THE FACILITIES.**

To register a motorcycle for this program notify customer service at (305) 373-6789 or come into the administrative office at 40 NW 3rd St, Miami, FL 33128, 15 days in advance of the start date for motorcycle parking.

If there is a tag change or the customer wishes to terminate the service notify customer service immediately. Failure to do so may result in additional charges or enforcement action.

The preferred method of payment for this monthly parking program is by enrolling in the automatic payment program. The monthly rate per motorcycle is \$40.00 per month including sales tax and surcharge. Contact Customer Service for availability and details.
